Tasting notes

A white wine with great texture and appeal. The colour is an intense straw-yellow with light golden highlights. An elegant aroma with clear hints of wildflowers, aromatic herbs, spices, ripe fruit, honey. Tasty, harmonious and persistent on the palate. A wine of great structure.

About the producer

Nestled on the Ligurian border with Tuscany, near the remains of the ancient Roman city of Luni, Cantine Lunae has been pushing boundaries of Ligurian wines since Paolo Bosoni took the helm of the winery in 1966. His family's dedication to quality is helping to create incredibly vibrant and intense wines from local grape varieties which are a true distillate of their soils, Mediterranean climate and their respectful viticulture. From the mineral expression of Vermentino to spicy Albarola, there is plenty to discover and experiment with their range.
