### Tasting notes

---

Another new wine for the Roagna family, first produced in 2014, Gallina offers the hedonistic quality that typifies wines from this site whilst also displaying the classical feel of Roagna's Barbarescos. Like Albesani, this comes from a leased parcel of vines in Neive.

### About the producer

---

The Roagna story started in the late 1800s when Luca Roagna's great grandfathers were part of a small group of pioneers that started making Barbaresco as we know it today. Luca, currently representing the 5th generation of winemakers, is taking the estate from strength to strength. He works with the utmost respect for his land: old vines, massale selection, and promotion of biodiversity are all at the core of his approach in the vineyards. In the winery, long aging, wild yeast, and long macerations assure that the essence of his terroir is expressed in the bottle.
