Tasting notes

Pure and lifted on the nose with creamy green apples and white spring blossom. The palate shows good concentration and a lovely freshness. This is really pretty and elegant. Drink from release.

About the producer

Bernard Mollard always comes across as a remarkably relaxed man, which is not a common trait for a fruit farmer! His jovial demeanour and unpretentious manner always make for an enjoyable visit and his wines are similarly friendly and inviting. Bernard makes no apology for making wines to enjoy in their youth and his Chassagne's have been hugely popular with our customers for many years now.
