Tasting notes

This classic, elegant Marlborough Sauvignon comes from the cool Kekerengu coastal region. The limestone soils found here and the cool winds from the sea help to develop a unique savoury structure to the Sauvignon Blanc. This fabulous, nuanced wine offers refreshing pink grapefruit and elderflower, leading onto a beautifully defined palate. Very dry with a minerally backbone lemongrass and rocksalt all vie for attention. This is an ideal aperitif or tasty partner to shellfish or antipasti.

About the producer

Named after a 19th-century explorer's ship, Astrolabe is Simon and Jane Waghorn's voyage into winemaking exploration in New Zealand's Marlborough region and is now 100% family-owned. The family-owned estate is rightly celebrated for wines that express the variety of their soil and the nuances of their terroir: from the Wairau and Awatere Valleys to the Kekerengu Coast. Astrolabe wines reflect the Waghorn's innovative treatment of specific parcels and winemaking process to capture undiscovered qualities of individual grape varieties, resulting in some of the most pure and elegant wines from the region.
