Tasting notes

Hedonism in a glass. This is a superb effort which combines dried tropical fruit aromas with sweet spice. There is such complexity here with a botrytis spice, and stewed rhubarb. The intense sweetness is complemented by a well-integrated acidity and enormous concentration. This wine will, quite possibly, live for 40+ years. A herculean effort.

About the producer

Few producers can claim a level of influence to almost identify with their appellation – one of those is Domaine Huet. This iconic estate has been one of the standard-bearers of Vouvray since 1928. A true pioneer, Gaston Huet was one of the first vigneronns to adopt biodynamic practices and to focus on single-vineyard bottlings. Remaining true to the philosophy of the founders, Sarah Hwang and Jean-Bertrand Berthomé continue to craft superbly long-lived Chenin Blanc from their three vineyards. From lively sparkling to unctuous Moelleux, the Domaine Huet range is the most extraordinary way to venture into Vouvray.
