### Tasting notes

---

A striking, crystalline nose reminiscent of Riesling promises something really quite special. The uber-complex aroma evolves from floral to spice to orange peel. This wine has real 'wow' factor - the vintage seems to really hit its stride at demi-sec level. This is a wine of impeccable balance between honeyed richness and purity of fruit. Whilst there is sweetness, the wine is exceptionally pure and light on its feet. So incredibly moreish.

### About the producer

---

Few producers can claim a level of influence to almost identify with their appellation - one of those is Domaine Huet. This iconic estate has been one of the standard-bearers of Vouvray since 1928. A true pioneer, Gaston Huet was one of the first vignerons to adopt biodynamic practices and to focus on single-vineyard bottlings. Remaining true to the philosophy of the founders, Sarah Hwang and Jean-Bertrand Berthomé continue to craft superbly long-lived Chenin Blanc from their three vineyards. From lively sparkling to unctuous Moelleux, the Domaine Huet range is the most extraordinary way to venture into Vouvray.
