Country:	Italy		

 Armit Exclusive

Tasting notes

"The Ça Va Sans Dire is Natale's take on Timorasso being identified as the grape capable of making age-worthy, mineral and complex whites in the vein of a fine Chablis. This is a zesty, textural and vibrant wine with waxy undertones, finishing on a refreshing herbal and menthol note. Only 3000 bottles produced from a tiny 0.8ha plot in Casasco."
