Tasting notes

Closed and compact leafy nose. Still very youthful and embryonic. Distinct earthiness with a minerally undertow and ripe cherry. Spectacular balance of ripe, sweet cherry, tangy acidity and really fine, long tannins. Amazing focus and energy.

About the producer

Sesti is one of the most delightfully individual producers in Armit's portfolio. Founder Giuseppe describes himself as 'eclectic by nature', and ran a Baroque Opera festival for thirty years while restoring the castle that features on their labels, and developing the vineyards. He has devoted himself to the study of astronomy, a subject on which he has published no fewer than five books, and Sesti considers the influence of the moon indispensable to viticulture. The 13 hectares of vineyards are located in a unique micro-climate in the southern part of Montalcino, surrounded by forests, and on soils of layered oceanic sediment, producing elegant Sangiovese with a distinct floral note.
