Tasting notes

Produced from a south facing parcel at the extreme south of Les Vaillons, this unique wine is vinified in a concrete egg to give an additional layer of complexity. The shape of the egg creates a circulating effect for the lees while the porosity of the surface allows for micro-oxidation like a barrique but without any woody characters. The beautifully textured and intensely refreshing wine will be delicious in a year or two. Drink from 2017.

About the producer

Domaine Sébastien Dampt Wines

We are delighted to represent one of the Chablis wine region's up and coming stars, Sébastien Dampt. After working closely with his father Daniel and brother Vincent at Domaine Daniel Dampt, Sébastien created Domaine Sébastien Dampt in 2007.

A calm, considered young man, Sébastien Dampt is completely dedicated to his craft, and his understanding and passion for Chablis come across clearly when you talk to him.

Here the talented Sébastien Dampt makes pure, lean and crisp Chablis wine from his 7 hectares of mainly 1er Cru vineyards. All the Domaine Sébastien Dampt wines, except for the Beugnons, are vinified in stainless steel tanks to ensure the pure fruited style and retention of acidity in the classic style. These wines offer some of the greatest value in Chablis.
