### Tasting notes

A welcome return after the 2015 crop was entirely lost to hail. As ever this is the most delicate of the Grands Crus, made entirely without oak. The profile here is distinctly of oyster shell and a lovely hint of sea salt salinity. This is a wine of gorgeous purity and finesse; intensely chablisien with a chalky, zesty finish. A delicate expression of Grand Cru Chablis, a textbook expression of the region's minerality.

### About the producer

Benoît Droin may have a youthful appearance but he speaks with the wisdom that can only come from generations of Chablisien know-how being passed down by a combination of intuition, osmosis and hard-work. His goal is terrific wines of purity, elegance and accessibility. Combine this with some great value pricing and these wines will continue to bring enormous pleasure to all who encounter them.
