Tasting notes

The best vineyard in Chablis, this is incredibly complex and tightly wound, packed with rich fruit on the entry before a core of tightly wound citrus and finishing on notes of flinty minerality. Sublime. Benoît explained that while other vineyards lost a lot of crop Les Clos was protected by its walled microclimate, losing just 10% of the crop, as opposed to 50% in 2015.

About the producer

Benoît Droin may have a youthful appearance but he speaks with the wisdom that can only come from generations of Chablisien know-how being passed down by a combination of intuition, osmosis and hard-work. His goal is terrific wines of purity, elegance and accessibility. Combine this with some great value pricing and these wines will continue to bring enormous pleasure to all who encounter them.
