“The short maceration on the skins allows the wine to develop in a vinous, rounded expression of Dolcetto that burst with vivacious notes of summer red fruit.”

About the producer

While the vineyards that form Punset have been farmed by the Marcarino family for generations, it is truly thanks to Marina and her incredible energy that the estate is how it is nowadays. In the 1980s, she decided to pursue organic farming – a demanding choice that was rewarded by becoming the first estate to receive the organic certification in Italy. Her passion for the soil and the environment led her to embrace biodynamics and the agronomic philosophy of Manasobu Fukuoka. From one of the healthiest vineyards in Italy, Marina crafts wines that brim with life, energy, and pure terroir.
