Tasting notes

Pure and bright on the nose with spring blossom and delicate citrus, the palate shows more weight with lemon peel and preserved lemon and complex notes of almond. Lovely balance between fruit weight, freshness and a fine vein of acidity. Drink from 2019.

About the producer

Spending any time with Nicolas Potel in Burgundy can't help but to make even the most ardent of critics a lifelong convert. Nicolas is another man of boundless energy but his approach is very organic, adhering to the natural rhythms wherever possible. Such an unforced, careful, natural and sensitive approach is reflected perfectly in his wine and Nicolas has brought a breath of fresh air to Burgundy over the last decade and more. Quite simply, he remains one of Burgundy's brightest talents.
