### Tasting notes

A magical cuvée from this mythical vineyard. Anyone who has stood in the Clos du Bourg can't fail to be enchanted. This Clos du Bourg 1ere Trie is a stunning creation which combines dried tropical fruit aromas with sweet spice. There is such complexity here with botrytis spice, exotic fruit and stewed rhubarb providing a fullness that is somehow piercingly lean at the same time. The intense sweetness is complemented by an electric acidity and enormous concentration. This wine will live for 40+ years. If ever a wine were to tug at the heart strings, this is it.

### About the producer

Few producers can claim a level of influence to almost identify with their appellation – one of those is Domaine Huet. This iconic estate has been one of the standard-bearers of Vouvray since 1928. A true pioneer, Gaston Huet was one of the first vigneron to adopt biodynamic practices and to focus on single-vineyard bottlings. Remaining true to the philosophy of the founders, Sarah Hwang and Jean-Bertrand Berthomé continue to craft superbly long-lived Chenin Blanc from their three vineyards. From lively sparkling to unctuous Moelleux, the Domaine Huet range is the most extraordinary way to venture into Vouvray.
