### Tasting notes

The top dry cuvée for many Huet fans from the Clos next to Vouvray's cemetery. It exhibits a very pure and lightly perfumed apple and pear aroma. The palate has a saline backbone which adds tension and focus to a seriously classy wine. There is an almost electrical current running through it as it crackles with minerals. The finish is impressive and fragrant with a fine bergamot essence.

### About the producer

Few producers can claim a level of influence to almost identify with their appellation – one of those is Domaine Huet. This iconic estate has been one of the standard-bearers of Vouvray since 1928. A true pioneer, Gaston Huet was one of the first vignerons to adopt biodynamic practices and to focus on single-vineyard bottlings. Remaining true to the philosophy of the founders, Sarah Hwang and Jean-Bertrand Berthomé continue to craft superbly long-lived Chenin Blanc from their three vineyards. From lively sparkling to unctuous Moelleux, the Domaine Huet range is the most extraordinary way to venture into Vouvray.
