Tasting notes

This is a classic Chablis produced from Domaine fruit with pure lemon zest and yellow grapefruit flavours combined with hints of thyme overlaying a flinty minerality. It has more richness and complexity than you would expect from a village Chablis. Drink from 2019.

About the producer

Joseph Henriot purchased this fabulous but underperforming domaine in 1998 and the results have been nothing short of dramatic. In a mere ten years, Fèvre has gone to the top of the premier league, re-establishing a style that with its minerality, purity and lip-smacking acidity is right in line with what great Chablis should be all about. The problem on the horizon though is supply as everybody wants these wines all around the world and the days of top Chablis selling at a huge discount to the Côte d'Or may be numbered. With Didier Segulier at the helm, the future at Fèvre appears very bright and with the 2009s just released, we have another set of beautiful wines to thrill loyal fans and recent converts alike.
