Tasting notes

As the most coastal vineyard in the Santa Maria Valley, the Solomon Hills Vineyard produces Chardonnay of exceptional quality. The marginal weather and sandy soils make for wines with great vibrancy and intense character. The 2017 is substantial and gutsy with real depth to it. **Armit Wines**

About the producer

The sister winery to Bien Nacido, Solomon Hills was born as the Millers ventured slightly west from the Bien Nacido site. They stumbled on this special parcel of land that was also used in the late 1850s by the bandit Salomon Pico, the inspiration behind Zorro. The vineyard was planted in the late 1990's and christened Solomon Hills. It is the westernmost vineyard in the Santa Maria Valley, just eleven miles from the ocean. The combination of ocean-derived sandy loam soils and marine breezes contribute to creating wines marked by a zingy freshness, chiselled fruit and utter elegance.
