Tasting notes

Grown in soils of abundant diversity containing limestone, shale, uplifted marine volcanics and loam, the Bien Nacido Estate know how to produce a gorgeous Chardonnay. The 2017 is a wine of not only terrific energy and cut but delicately nuanced with complex minerality and lovely texture. **Armit Wines**

About the producer

In 1969, brothers Bob and Steve Miller found a parcel of land they immediately knew had incredible potential for grape growing. Their vision was simple, to develop a vineyard that would be acknowledged as amongst the most recognised vineyards of the world. It took them four years of hard work to set up the 121 hectares of Pinot Noir and Chardonnay. The combination of rocky soils, cool climate and ocean influence as well as the talented winemaker, Anthony Avila, make the Bien Nacido wines a superb, handcrafted range whose pedigree is simply unparalleled.
