Tasting notes

Chenin Blanc is one of the major white grape variety in South Africa, while Verdelho has a long history originally for the production of fortified wines. The granite of Voor Paardeberg provide the flesh and the briny core of the palate, while the Verdelho will bring tension and length to the blend. 10 months in used Oak. Drink now to 2022.

About the producer

Marelise Niemann is a perfect example of the new breed of South African winemakers: energetic, innovative and incredibly inspirational. She started her winemaking career in 2007 at Beaumont Wines, while keeping travelling and honing her craft around Europe. Momento is her solo project, merging technical excellence with a real sense of terroir and craft. Incredibly small quantities of wines are produced from dry-farmed, old vineyards, all brimming with intense energy, concentration and elegance. A true superstar in the making.
