### Tasting notes

Cabernet Sauvignon is a favoured variety in McLaren Vale where the climate is suited to growing fruit that produces rich, full bodied and age-worthy wines. Fruit sourced exclusively from our two McLaren Vale Estate Vineyards; the sandy soils of Blewitt Springs and the ancient rocks of Tatachilla is used to produce the Dowie Doole Estate Cabernet Sauvignon. Special sites in their own right, each Vineyard contributes unique characters to the finished wine.

### About the producer

Born in the 1990s through Drew Dowie and Norm Doole's frustration at having to send their fruit to other wineries to vinify, Dowie Doole came to set a precedent for McLaren Vale. The winery's range is an exploration of this region's terroirs and the many varieties that generations of grape growers have brought with them from Europe. A great marriage of tradition, innovation and a little rebel spirit can be found in all their cuvées. From complex Shiraz, a spicy Grenache and Tempranillo blend, to elegant Chenin Blanc, their range is one of the most interesting and contemporary in the region.
