About the producer

Established over 400 years ago, Château les Carmes Haut-Brion is today one of Bordeaux's most exciting names. The property is a 10.3 hectares wine estate and it takes its name from the Carmelites, the order of monks that tended it for almost 200 years. By blending modern winemaking techniques with practices usually found in other regions, Carmes is at the forefront of shaping a contemporary style of Bordeaux that is approachable at a younger age and tailored to today's trends.
