Tasting notes

The Archivio Montepulciano is a new release, and is a testament to Tiberio's innovative approach. Cristiana has been experimenting with this 60-year-old site for around a decade, only now releasing it as its own wine. This is the first wine from Tiberio to see any oak, with 30% spending 12 months in a bespoke-made barrique to add a touch of oxygen and soften the tannin. Aromatic, mineral, and gorgeous, in the words of Eric Guido "this is a whole new level for Tiberio Montepulciano".

About the producer

Located in the rugged Adriatic region of Abruzzo, Cristiana Tiberio's 30 ha estate has fast gained a reputation for her unapologetic take on what the wines of her region should be. Working with very old Trebbiano Abruzzese vines and with the indigenous varieties of Montepulciano d'Abruzzo and Pecorino, she has made it her mission to craft wines that display real purity and elegance with a very distinct character. The focus here is on combining indigenous varieties and unique terroir with state-of-the-art winemaking. The result is some of the purest and long-lived wines in the region - a future Italian icon.
