Tasting notes

Lunae's Etichetta Grigia is a wine that instantly transports you to the Italian Riviera in summertime. Elderflower, peach and hints of saline minerality leap from the glass as soon as the wine is poured. The first sip shows white peach, fresh mint and lemon zest, wonderful acidity gives freshness and the mineral finish is reminiscent of sea breezes. Walter Speller of [JancisRobinson.com](https://www.jancisrobinson.com) said the 2017 was "The perfect summer wine" and the new vintage carries on this fine form.

About the producer

Nestled on the Ligurian border with Tuscany, near the remains of the ancient Roman city of Luni, Cantine Lunae has been pushing boundaries of Ligurian wines since Paolo Bosoni took the helm of the winery in 1966. His family's dedication to quality is helping to create incredibly vibrant and intense wines from local grape varieties which are a true distillate of their soils, Mediterranean climate and their respectful viticulture. From the mineral expression of Vermentino to spicy Albarola, there is plenty to discover and experiment with their range.
