Tasting notes

Bright, deep ruby colour with dark cherry hues on the rim of the glass. It stands out for its intensity, with red fruit aromas (strawberries, raspberries, redcurrant and cherry) leading to elegant notes of vanilla, toffee, coffee cream, cinnamon, brioche and hazelnuts. The balance between acidity and alcohol stands out on the palate, with soft, sweet, rounded tannins and a pleasant final sensation. It stands out for its great culinary versatility. It is an excellent choice with appetizers, snacks, light meals and barbecues, as well as with rice dishes, pasta, creams and also with lightly grilled meat and fish

About the producer

Formed by five families in the late 19th century, the La Rioja Alta S.A. winery is one of the most iconic names in Fine Wine, and a benchmark for the traditional style of Rioja. Their Tempranillo-led reds are aged for remarkably long periods in barrels from the producer's cooperage, and they are one of the last remaining producers to rack their wines by hand and by candlelight - which they do every six months. While they always upheld standards and tradition, La Rioja Alta S.A. never stopped experimenting and pushing for better quality, offering some of the purest, more precise expressions of Tempranillo in the world.
