Mendel's signature wine, this classic Malbec is complex, elegant and intense with a medium-bodied palate, soft tannins and great balance. It is delicious and easy to drink, perfect whether you're looking to explore wines from Mendoza for the first time, or if you are already a fan of the region.

### About the producer

---

With their mature vineyards fed by meltwater from the Andes, family-owned Mendel Wines is a partnership between Roberto de la Mota - one of Argentina's most respected and experienced winemakers - and the Sielecki family. At 1000 meters above sea level, the grapes ripen slowly, allowing the flavours to intensify. Following careful selection, hand harvesting and artisanal vinification, the character of the wines produced by Mendel is testament to their dedication to the craft.
