### Tasting notes

Etichetta Grigia was the first wine made from the vinification of Vermentino grapes by Paolo Bosoni, now more than forty years ago. The wine is still made the same way today as it was back then. Over time it has become the emblem and the icon of the cellar.

### About the producer

Nestled on the Ligurian border with Tuscany, near the remains of the ancient Roman city of Luni, Cantine Lunae has been pushing boundaries of Ligurian wines since Paolo Bosoni took the helm of the winery in 1966. His family's dedication to quality is helping to create incredibly vibrant and intense wines from local grape varieties which are a true distillate of their soils, Mediterranean climate and their respectful viticulture. From the mineral expression of Vermentino to spicy Albarola, there is plenty to discover and experiment with their range.
