Tasting notes

The flagship label of the estate, the fruit is sourced from the Contrada Rampante vineyards at 850 metres just outside the winery. With its “silken textures and masses of tart wild berry fruits motivated by a core of tantalizing acidity” (Eric Guido, Vinous), this represents the perfect introduction to the style of Pietradolce and what can be achieved with Nerello Mascalese.

About the producer

Since its founding in 2005, Pietradolce has come to own one of the largest collections of pre-phylloxera vines on Mount Etna, some up to 120 years old. This active volcano commands the winery’s devotion and respect, with its complex volcanic soils producing wines of remarkable energy and nuance. Owner Michele Faro and winemaker Giuseppe Parlavecchio focus exclusively on local varieties, Nerello Mascalese and Carricante, crafting a range of pure, terroir-driven wines roughly structured as Village, Premier Cru, and Grand Cru.
