Country:	Italy		

Tasting notes

"

The 2021 Batàr is bright and beautifully focused. Lemon confit, white flowers, chamomile and jasmine are all nicely delineated. Crisp and vibrant, the 2021 shows all the energy that is the norm for this wine of late. The 2021 was just bottled about a month prior to this tasting, and yet it shows quite well."

93+, Antonio Galloni, Vinous

About the producer

The name Querciabella is perfectly fitting for this Chianti estate, surrounded by a sheltering forest of magnificent trees. Twenty-Two marks the 50th vintage for the estate and the beginning of a new era with Mita Castiglioni, eldest daughter of Pepito, taking the reins. Under her leadership, Querciabella continues to be one of Italy's most innovative wineries, pioneering vegan and biodynamic practices. With the expertise of talented South African winemaker Manfred Ing, Querciabella consistently produces some of the purest expressions of Chianti Classico as well as Super-Tuscans with their acclaimed wines Camartina, Palafreno and one of Italy's most celebrated white wines, Batàr, alongside a range of exciting wines from the Maremma region.
