About the producer

Based in Gevrey-Chambertin and founded in 1976 by Alain, the estate was handed down to brothers Jean-Luc and Eric, with Jean-Luc taking sole charge of the Domaine from the 2022 vintage. With 9.5 ha of vineyards, the domaine has a strong focus on sustainable viticulture with biodynamic practices. The wines are 100% destemmed, with a limited amount of new oak, unfined, unfiltered, and with minimum intervention in term of pigeage and racking. Jean -Luc strives to continue his father's legacy of wines that are clean and natural with very little sulfur dioxide, expressive of their terroirs, and most of all elegant.
