### About the producer

Beaux Frères Founded in 1986 by the pioneering Etzel family, the estate rapidly rose to iconic status and gained international recognition during the 1990s. Since then, the Etzel family has remained focused on developing the vineyard of Willamette Valley and Ribbon Ridge AVA, two areas now considered to produce the most prestigious Pinot Noir outside Burgundy. In 2022, Beaux Frères was acquired by Artemis Domaines as a part of their merger with Maisons & Domaines Henriot. Artemis Domaines' portfolio is currently the most dynamic in the world and has the ability to elevate Beaux Frères to become one of the most sought-after and in-demand Estates coming out of the US.
