Region:	Tuscany	**Variety:**	Sangiovese
Country:	Italy		

AE Armit Exclusive ORG Organic BIO Biodynamic

Tasting notes

"The Fèlsina 2022 Chianti Classico Berardenga is an entry-level proposition with a soft and ripe fruit profile. The bouquet delivers black cherry and baked plum over a simple, lean-bodied mouthfeel. This is one for immediate drinking with a pasta al pomodoro.
"

89 Points, Monica Larner, Wine Advocate

About the producer

Situated at the southern edge of Chianti Classico, Fèlsina is a historic estate in Castelnuovo Berardenga where Sangiovese shows a distinctive depth and richness. The Poggiali family took over in the late 1960s and gradually built the estate's reputation through innovation in viticulture and winemaking whilst aiming to preserve the property's biodiversity. Fèlsina has developed a style that is both classic and expressive of its terroir, showing elegance, structure, and purity. Today the family continues to farm organically and produces some of the region's most admired wines, including the iconic Rancia and Fontalloro.
