Tasting notes

"The 2022 Morellino di Scansano Riserva is a tasty wine to drink now and over the next handful of years. Intense red-toned fruit, leather, cedar, tobacco and incense are front and center. The warmth of the year is evident, and yet this is very nicely done, with fine balance and tons of charm to match. It will be especially fine at the dinner table."

About the producer

Elisabetta Geppetti, the founder of Fattoria Le Pupille, is a woman of extraordinary energy and vision. She was only 20 years old when she first took the reins of her family's estate in Southern Tuscany in the 1980s. The winery is synonymous with Morellino di Scansano, and Elisabetta has been instrumental in putting this appellation on the map for wine lovers, producing excellent value Sangiovese and achieving global recognition with the region's first Super Tuscan, Saffredi. Her children, Clara and Ettore, now run the winery, and this second generation has added two remarkable, innovative wines to the portfolio: Le Pupille, an amphora-aged Syrah, and Piemme, a unique Petit Manseng.
