About the producer

Nestled on the Ligurian border with Tuscany, near the remains of the ancient Roman city of Luni, Cantine Lunae has been pushing the boundaries of Ligurian wines since Paolo Bosoni took the helm of the winery in 1966. His family's dedication to quality has helped create incredibly vibrant and intense wines from local grape varieties, truly reflecting their soils, the Mediterranean climate, and a philosophy of respectful viticulture. From the mineral expression of Vermentino to the spiciness of Albarola, their range offers plenty to explore and enjoy.
