About the producer

Situated in the heart of the Tokaj region, Château Dereszla dates back to the 18th century. The estate owns 27 hectares across some of the finest vineyards in the area, with a wide diversity of soils contributing to the complexity of its wines. The historic cellars were fully renovated in 2003 and equipped with state-of-the-art winemaking technology. The winemaking team combines long-established expertise with a dedication to perfection and a passion for producing exceptional wines.
