About the producer

With a Domaine that was established at the end of the 18th century, Etienne Grivot has often felt the weight of history when he joined his father Jean in 1982. 1993 marked a turning point and since then the trajectory of Domaine Grivot has been nothing but upwards. Today, a more mellowed and confident Etienne is one of the most respected figures in the region, producing wines of purity, freshness and precision year-in, year-out.
