About the producer

Having fallen in love with Puglia, Giovanni Battista Cantele and his wife, Teresa Manara, moved to Salento to establish a winery in the late 1950s. The entire family is now involved, continuing the legacy with the same passion and energy. While their focus is on local varieties such as Primitivo, Negroamaro, and Verdeca, the winery also produces pure expressions of international grapes. Their aim is to redefine Puglia's wines and showcase the unique terroirs of Salento through wines of intensity, precision, and freshness.
