Tasting notes

"The 2025 Trebbiano d'Abruzzo is quite savory, with wild herbs, musky citrus and nuances of wet stone. The palate is streamlined and precise, with a contrast of ripe pit fruits and orchard fruits enhanced by a bitter tinge of lemon pith. It tapers off long and cleansing with a salty flourish and hints of tart lime."

About the producer

Tiberio is one of the brightest stars of Italian wine. Winemaker Cristiana Tiberio has made it her mission to craft wines that express a distinct varietal and regional character with minimal intervention. Her uncompromising attention to detail has led her to divide the vineyards into individual biotypes - vines of the same variety and clone, genetically identical, yet adapted to subtle differences in their precise location on an epigenetic level. The result is some of the purest and longest-lived wines in the region. Tiberio is an iconic producer, waiting to be discovered.
