Duca di Dolle, Veneto, Italy

Product details

Vintage:		Drinking:	Now
Producer:	Duca di Dolle	Alcohol:	11.50%
Region:	Veneto	Variety:	
Country:	Italy		

 Vegan Friendly

Tasting notes

The nose has intense fragrance of bread crust and lively floral and citrus notes. The palate is fresh, dry, easy-drinking with a good level of intensity and hints of yeast. Food pairing: Ideal with mature cheeses, cold cuts and cured meats, but also excellent for a whole meal based on fish and shellfish.

About the producer

Nestled at the heart of the Conegliano-Valdobbiadene hills, in the classified region Prosecco Superiore D.O.C.G., Duca di Dolle produce quality sparkling wine at the highest level. The Estate's focus is to make iconic sparkling wines, which make the most of the unique conditions of this area. The estate itself is an old monastery from the 16th century surrounded by 70 year old vineyards, located in the small hamlet of Rolle, right in the heart of the Conegliano-Valdobbiadene Hills, a UNESCO World Heritage Site since 2019. From pruning to harvesting, all activities are carried out by hand, with a lower yield per hectare than that required by the specifications.
