Tasting notes

Contaning a bottle of each of the 2006, 2007, 2008, 2009, 2010 and 2011 vintages, this limited edition Valbuena mixed case makes for a truly wonderful Christmas gift. Valbuena is made from younger vines, and in years when Vega Sicilia's flagship wine - Unico - is not produced. Grapes normally destined for Unico will go into Valbuena. It is only released after 5 years' ageing. Vega Sicilia has laid the foundation for what has become one of the best wine-making regions in Spain, Ribera del Duero.
