Tasting notes

In 1908 Winston Churchill placed his first order for Pol Roger and his association with the house lasted until his death. During the second world war he had it on hand at all times, borrowing a quote from Napoleon, 'I cannot live without Champagne'.

About the producer

For over 170 years Maison Pol Roger has been producing exceptional Champagne. Currently in the hands of the fifth and sixth generation, family and independence are at the heart of Champagne Pol Roger. The Pol Roger style is one of inimitable quality, purity of fruit and famously fine bubbles.
